Michigan Council of Women in Technology Foundation to Host “Golf and Get” Annual Programming Fundraiser

SOUTHFIELD – The Michigan Council of Women in Technology Foundation plans to host its 14th annual Golf Classic Fundraiser on Monday, July 20, 2020, from 7 a.m. to 5 p.m. The fundraiser, which raises money to support the organization’s robust programming, will take place at Indianwood Golf & Country Club, located at 1081 Indianwood Road, Lake Orion, MI 48361.

MCWT is a non-profit organization that provides a number of programs, scholarships, and opportunities to inspire and grow women in the field of technology. With a vision of making Michigan the number one state for women in technology, MCWT uses mentoring, leadership, networking, and technology experiences to build, engage, and retain future female IT professionals.

In an atmosphere of camaraderie and fun, regional companies and individuals will support the organization’s efforts while experiencing dynamic networking, athletic competition, and helping to encourage the next generation of technology leaders. When asked what could be expected at the fundraising event, Rebecca Price, head of the organization’s Marketing and Communications department, expressed the enrichment and sense of community that is a product of all MCWT programming and events. “Our events are always a blast,” Price said. “Not only do we have the opportunity to boast the mission and pride of our organization, but we have the opportunity to inspire and engage our community through sponsorship and mentorship.”

The organization hosts several different fundraisers and recognition ceremonies throughout the year, to include an Executive Connection Networking Summit and an annual gala. “We are very passionate about our mission to inspire and grow the next generation of female technology leaders,” said Price. “Any time we have the opportunity to highlight the important nature of the work we do here at MCWT, we take it. Our girls put in a lot of hard work and time developing their skillset and preparing themselves for dynamic roles in the field of technology.”

The Michigan Council of Women in Technology Foundation’s vision is to make Michigan the No. 1 state for women in technology. The organization supports Michigan’s female IT workforce, students, corporate partners, schools and the overall community with programming, scholarships, networking, learning, mentoring, and technology experiences. Find more information at mcwt.org and connect via [LinkedIn](#), and [Facebook](#). Admission to the Golf Classic Fundraiser event will require a pre-purchased ticket. Please contact Event Manager Elise Luddy at luddyel@mcwt.org for additional information on ticket availability and pricing.
